

Pragati Anand

Computer Science Graduate

Graphic Design & Visual Creativity Enthusiast

New Delhi, India

T: +91 8178 199 824 | E: prgt2005@gmail.com | [Portfolio](#)

Professional Summary

Bachelors of Science in Computer Science from University of Delhi with a strong foundation in the core concepts of computer science, **Database structures** and software workflow logic along with **hands-on experience building a full-stack web application** spanning front-end development, and **AI-assisted feature integration**. Comfortable across **Python, MySQL Database Management** and Artificial Intelligence Tools.

Strong analytical & problem-solving foundation with a fast-learning curve, seeking an entry-level role in Software development, Graphic Designing, Data analytics or technical support where I can apply and grow these skills.

Core Competencies

Programming & Development: Python, C++, HTML5, CSS3, MySQL, Visual Studio Code.

AI Tools: ChatGPT, Google Gemini, Microsoft Copilot, Claude AI, Grok AI, DeepSeek, Blackbox AI, Runway AI.

Design & Multimedia: Canva, Adobe Photoshop, Adobe Premiere Pro, DaVinci Resolve, Blender, Filmora, Photopea, Figma, Microsoft Clipchamp.

Productivity Tools: Microsoft Word, Microsoft Excel, PowerPoint, Outlook, Google Docs, Google Forms, Google Cloud, Notion.

Academic Project

Study Timer with AI Integration [\[Live App\]](#)

Python | HTML | CSS | MySQL | AI Tools

Project Overview

Designed and developed an AI-enabled web application to assist students in planning and managing their study schedules efficiently. The application combines web technologies, database management, and AI-powered productivity features to enhance learning and time management.

Key Responsibilities

- Designed responsive web pages using HTML and CSS.
- Developed backend functionality using Python.
- Managed application data using MySQL.
- Integrated AI tools to support study planning and productivity.
- Performed application testing, debugging, and performance improvements.
- Focused on user-friendly interface design and seamless navigation.

Skills Demonstrated

- Web Application Development
 - Python Programming
 - Database Management
 - Front-End Development
 - AI Integration
 - Problem Solving
 - UI Design
 - Testing & Debugging
-

Key Strengths

- Strong Analytical Skills
 - Problem Solving
 - Creative Thinking
 - Team Collaboration
 - Effective Communication
 - Quick Learner
 - Time Management
 - Self-Motivated
 - Technical Support
 - Organizational Skills
 - Documentation
 - User Interface Design
 - Social Media Content Creation
 - Video Editing
-

Education Qualification

B.Sc. (Hons.) Computer Science (CGPA - 6.65 / 10) **2026**

Mata Sundri College, Delhi, India.

University of Delhi

Intermediate (Twelfth) – PCM with Computer Science **2023**

Kendriya Vidyalaya, Sector-8, RK Puram, Delhi, India.

CBSE Board

Metric (Tenth) **2021**

Kendriya Vidyalaya, Sector-8, RK Puram, Delhi, India.

CBSE Board

Personal Details

Name : Ms. Pragati Anand D/o VK Anand
Address : H. No. 92 – L / C, Bank Street, Munirka, New Delhi – 110067.
Date of Birth : 27th November 2005
Nationality : Indian
Languages : English & Hindi
Current Location : New Delhi, INDIA.
